

SESSION A — DEVOPS VOCABULARY & ACTION VERBS

Casual English se Professional English mein upgrade karo — interviewer ko pata chal jata hai farak.

SECTION 1 — DEVOPS ACTION VERBS (CASUAL vs PROFESSIONAL)

HINDI SOCH	CASUAL (BASIC)	PROFESSIONAL (INTERVIEW-READY)
Banata hu	I make	I build / develop / create
Theek karta hu	I fix	I resolve / troubleshoot
Use karta hu	I use	I leverage / utilize
Dekhata hu	I see	I monitor / observe / track
Karta hu	I do	I handle / manage / execute
Madad karta hu	I help	I support / collaborate with
Suddhar karta hu	I improve	I optimize / enhance
Set / install karta hu	I set / install	I configure / provision
Check karta hu	I check	I validate / verify
Deploy / live karna	I put it live	I deploy / release

SECTION 2 — TECHNICAL & BUSINESS NOUNS

HINDI / BASIC	PROFESSIONAL ENGLISH
Server / machine	Instance / node
Pareshani / problem	Issue / challenge / blocker
Galti	Bug / error / defect
Code dalna	Code commit / push
Naya version	Release / build / version
Live karna	Deployment to production
Alag-alag environments	Multiple environments (dev, staging, prod)

SECTION 3 — POWER SENTENCES TO MEMORIZE

1. I **work with** cross-functional teams to **deliver** reliable infrastructure.
2. I **manage** end-to-end CI/CD pipelines for multiple applications.
3. I **collaborate** with developers to **ensure** smooth deployments.
4. I **leverage** Terraform to **automate** infrastructure provisioning.
5. I **monitor** systems proactively to **prevent** downtime.

THE GOLDEN RULE — VOCABULARY UPGRADE KARO

Casual word **fresher** jaisa lagta hai. Professional word **experienced** jaisa lagta hai.

DAILY PRACTICE: Roz apne kaam ke baare mein 5 sentences likho — har sentence mein kam se kam **1 professional verb** aur **1 proper noun** use karo. 30 din mein automatic aane lagega.
