

SESSION C — QUESTION HANDLING & SMART QUESTIONS

Interview ek conversation hai — sawaal aate hain, aapne jawaab dena hai aur khud bhi sawaal poochne hain.

SECTION 1 — 7 COMMON INTERVIEW QUESTIONS + APPROACH

QUESTION INTERVIEWER POOCHEGA	APPROACH / STRATEGY
1. "Tell me about yourself."	Use the intro template : name ⇒ total exp ⇒ current role ⇒ tools ⇒ Terraform concepts ⇒ closing line. (~60 sec)
2. "What is your current role?"	Use Present Continuous (currently working on...) + Present Indefinite (I handle / I manage). 4–5 clean sentences.
3. "Walk me through your CI/CD process."	Use step-by-step words: First... Then... After that... Finally... Code commit ⇒ build ⇒ test ⇒ deploy.
4. "Why DevOps?"	Personal interest + business value + career growth . Show passion, don't just list facts.
5. "Tell me about a challenging project."	Use STAR method — Situation ⇒ Task ⇒ Action ⇒ Result. End with numbers / business impact.
6. "How do you handle production issues?"	Process explanation : Detect ⇒ Assess severity ⇒ Escalate / Communicate ⇒ Resolve ⇒ Post-mortem review.
7. "Do you have any questions for us?"	NEVER say "No" . Always ask 2–3 smart questions ready (see Section 3 below).

SECTION 2 — "BUYING TIME" PHRASES (WHEN YOU NEED A MOMENT TO THINK)

Yeh phrases use karo jab jawaab turant na soojhe — **chup rehne se behtar hai**, lekin "umm aaa" bilkul nahi.

1. "That's a great question, let me think for a moment..."
2. "In my experience, I have observed that..."
3. "While I haven't worked on this directly, my understanding is..."
4. "Could you please elaborate on the context?"
5. "I would approach this by first __ , and then __ ."

SECTION 3 — SMART QUESTIONS TO ASK THE INTERVIEWER

End mein 2–3 zaroor poochho — yeh show karta hai aap **serious** ho aur aap company ke baare mein soch rahe ho.

1. "What does a typical day look like in this role?"
2. "What tools is your team currently using?"
3. "What are the biggest challenges the DevOps team is facing right now?"
4. "What does success look like in the first 90 days?"
5. "How does the team approach learning and upskilling?"

THE GOLDEN RULE — INTERVIEW IS A CONVERSATION, NOT AN INTERROGATION

Jawaab dene se aap **candidate** lagte ho. Sawaal poochne se aap **serious professional** lagte ho.
Pause lena galat nahi hai — "umm aaa" bolna galat hai. Buying time phrases use karo, sochho, phir confidence se jawaab do.
